Mound Staff

The Mound staff with Miss Lillian Rhodes as advisor has been more than busy this year preparing the annual. The first planning meeting of the year was in September, at that time the specific jobs were assigned. The members worked at noon hour in the Mound room, after school in the Journalism room, or at home in their spare time.

This year much of the art work in the book was done by members of the various art classes and other art students. It is our sincere hope that this Mound will leave you with many worthwhile memories.

If you the students of Fairmont State enjoy this annual as much as we have in being able to put it out, we are certain that our time and effort has indeed been profitable.

Dedication

The members of the 1955 Mound Staff take this opportunity to dedicate this book to the graduating class, who have attained such high scholarship and leadership. We feel that too many times there are students who are never recognized for their success, so in this way we can recognize every member of the class in dedicating *The Mound* to you. To those students who have reached their goal—Graduation—We say congratulations and many years of happiness and success to you.

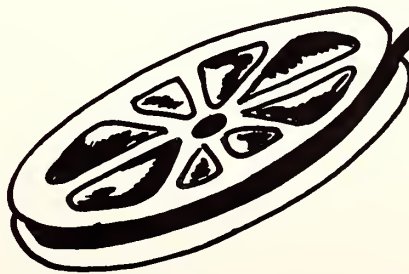

We have tried to present the material in this book in such a manner that it will be pleasing to the reader. The theme of the annual is a tape recorded account of the events of the school year.

The staff is grateful to the printers, faculty, students, and anyone who has cooperated in helping us publish our book.

We have more than enjoyed working on the annual for you, the faculty, and students of Fairmont State College.

Administrators

President

JOHN W. PENCE

The President of a college is a big position and one which carries much responsibility. We can be proud of our president—because he has served us faithfully as an administrator, and aims to make this a bigger and better college.

John Wesley Pence first served as President of Fairmont State in 1952. He came to the college in 1926 as instructor in Political Science and Economics. From 1928 to 1947 he served as Dean of Men. During 1947-48 while President Joseph Rosier was serving in the U. S. Senate, he served as acting President. In 1947 he became Dean of the College until 1952 when he was appointed as President.

This group serves as a committee to act on improvements for the school. One of the main improvements was the Student Lounge. It has hopes in the future of installing a television set in the Student Lounge. The Vice-President acts through the Student Council as the regulator of social activities. This organization also governs the school budget.

The Juniors have been most active in campus affairs. There are some eighty members which are not shown in this picture. The most important activity of this class was the sponsoring of the annual Prom held in April each year. From the class, candidates are chosen for Queen, from which a panel of judges select the one they feel is best suited to reign. This year the Juniors worked very hard to make the Prom a success, which was one of the most beautiful affairs held in the history of the school.

Cheerleaders

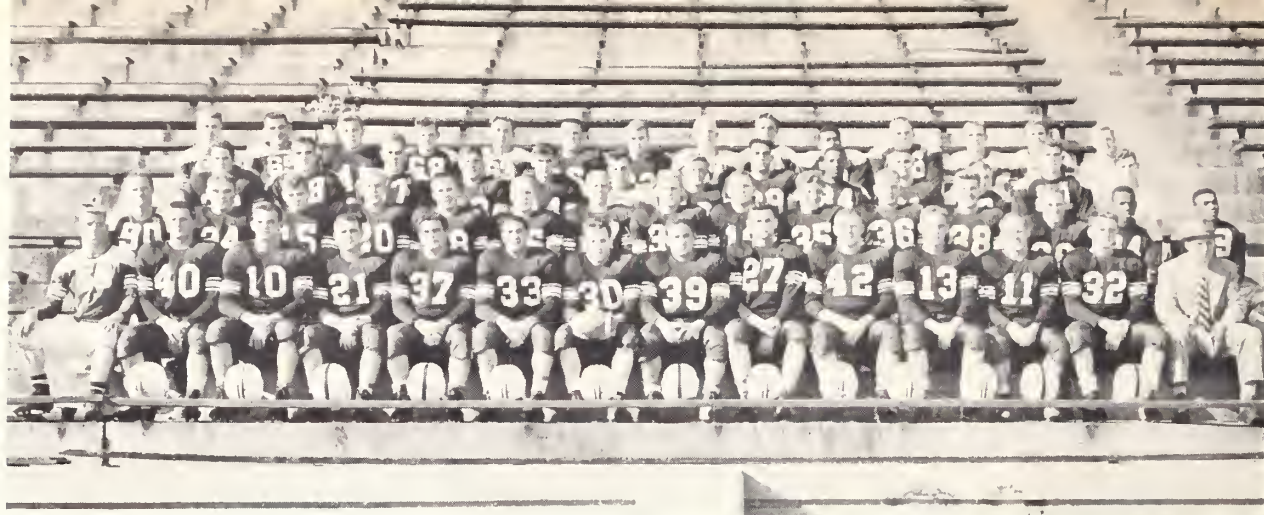

This year the student body was confronted with the task of selecting three new cheerleaders. The three girls above emerged as the winners as selected by a chosen committee. They are all Freshmen and have proved to be able to fill their capacity. We, the students, have more than reason to be proud of them. They have worked earnestly to revive the old "school spirit".

Teresa Delligatti, Toni as she is called by her classmates, hails from Fairmont. She has an over supply of pep and energy, and will surely prove to be one of the best cheerleaders Fairmont State has ever had.

Athena Andrews, "Bo Bo", is from Grafton and has shown her leadership in a fine way. We know she will help lead our teams on to many victories.

Carolyn Romino, also a newcomer to the cheering ranks, has developed into a very peppy one. She displays much talent, and we are certain she will continue to improve in the years to come.

Coach

The coach of our basketball squad is Paul C. "Pi" Davis pictured at the left. He had many hardships to encounter in order to mould a good starting five. However, the coach and the boys had a successful season, and "Pi" will have a good nucleus from which to make a good ball team next season.

Coach Davis came to Fairmont State from East Fairmont High School in the fall of 1949 and since then has served as both track and basketball coach.

At a Triangular meet between Fairmont State, Davis and Elkins, and Wesleyan, the Fairmont team swept to first place. Sal Vespoint, a versatile track man has entered several events the past two years, jumping the high and low hurdles, pole vaulting, and running the 220 yard dash. Jim Orr, a sophomore, ran the 100 yard dash, the 220 and the 440. Allen Hixon, also a sophomore, represented Fairmont State in the mile and half mile runs. Bob Madison threw the shot put and Ernie Rudy threw the discus, both of these men are Sophomores. Congratulations to Coach Paul "Pi" Davis and his superb track team.

LEFT TO RIGHT—Sal Vespoint, Dennis Kirby, Dick Smith, Jim Stevens, Allen Hixon, Dick Moore.

In recent years the group sponsored swimming pageants, and other activities. Many of the members participate in the life saving classes, and take special instruction courses in water safety. Miss Anne Barry, a member of the physical education department, is sponsor for the group.

Mr. Wallman preparing or coaching another Masquer play, which by the way are always outstanding. (Example "Lo and Behold").

Sue Smith working on Wednesday nights in the "Big Nickel".

Norma Goode, Dawnie McMaster, and Nola Bell working on their puppets for Miss Rhodes art class.

George Murphy and that flashy blue Ford he drives around here. We wonder how he always manages to get the same parking space.

Nancy Killian always in the locker room.

Gary Wilson, and Bill Bonasso and those crazy hats that adorn their "crazy, mixed up" heads.

Joan Seese trying to sell Senior invitations.

The noon-hour crowd standing in line in the "Nickel".
